## NOTIFICATION

ATTENTION: VI SEMESTER B.Tech STUDENTS

Subject: Preference Entry for Electives – VII Semester (July–November 2026 Session)

The **SLcM portal** (<https://slcm.manipal.edu>) is now open for **elective course preference entry** for **VII Semester B. Tech., Program Electives (PE–III, PE–IV, PE–V, PE–VI, and PE–VII)** and **Open Elective (OE–III)**.

- The portal will remain open **until June 23, 2025**.
- Once submitted, **preferences cannot be edited, changed, or modified**.
- Courses will be offered **only if the minimum enrollment criteria set by the departments are met**.
- **Allotment of electives is based on the CGPA** of the VI Semester End Semester Examinations.
- **No requests for changes** in electives will be entertained once allotments are made.

**Guidelines for Students Opting for Minor Specialization:**

➤ **Continuing with Minor Specialization:**

- Students who wish to continue with the minor specialization must select **"YES"**.
- PE-III and PE-IV will be allotted as a continuation of PE-I and PE-II.

➤ **Dropping the Minor but Retaining Same Subjects:**

- Students who want to discontinue the minor specialization but continue with the subjects from minor pool should still select **"YES"**.
- PE-III and PE-IV will be allotted as a continuation of PE-I and PE-II.

➤ **Dropping the Minor and Not Continuing Previous Subjects:**

- Students who wish to discontinue both the minor and the previously selected subjects should select **"NO"**.
- In this case, **COURSERA** courses will not be allotted, and electives will be assigned from the department's program elective pool.

➤ **Already Opted Out from Minor in Semester VI:**

- Students who opted out of the minor specialization in Semester VI by selecting different PE-I and PE-II must select **"NO"** and provide fresh preferences.
- **COURSERA** courses will not be allotted, and electives will be chosen from the department's pool.

**Instructions for Open Electives:**

- Each student must provide a **minimum of 20 preferences** for open elective courses.
- Student opted for NCC / NSS / Student Project Certification need not fill the choice for open elective courses.

**Note:** If preferences are **not submitted as instructed**, electives will be **automatically allotted** by the system and must be **accepted as final**.
